Drive some of Britain's quietest lanes in one of our select range of classic vehicles.

Based in North Norfolk, Country Lane Classics is a local company that really knows Norfolk and can help you plan that ideal itinerary. We can share with you 'insider secrets' about special places to explore, eat and stay.

We are passionate about our cars and have the expertise to maintain them in great condition, so that you can enjoy care-free motoring. With a simple hire structure and surprisingly reasonable rates... why wait?

# GO ON...

# PLAN SOMETHING SPECIAL

Imagine the perfect family picnic in a 1956 Morris Minor Convertible... a leafy glade, happy children, and lashings of ginger beer!

Grin broadly as you drive the Daimler into the car park at Blakeney Quay, and enjoy watching heads turn at the throaty burble of her V8 engine.

Go on... treat yourself to a drive next time you visit the idyllic coast and country lanes of North Norfolk, or arrange a Country Lane Classics Car Hire as the perfect surprise gift?
